

CATCH THE SONG

© 2009 Kelanie Gloeckler

CHORUS:

Catch the song above your head
Jesus is singing over us
Hear the melody of heaven
It's time to sing with Jesus

VERSE 1:

Let the music break in, find your freedom in the rhythm
Of His unrelenting love, He rejoices over us
Get caught in the swell of eternal worship
Dry wells will flow when they hear it
Open up your mouth!
(CHORUS)

VERSE 2:

We are getting in tune, we are people He can sing through
And His voice will be heard, heaven's song invades the earth
We move with the pulse of the Holy Spirit
Dry bones will dance when they hear it
Open up your mouth!
(CHORUS)

BRIDGE:

Whoah...whoah...
Whoah...whoah...

Whoah...*catch the song*
Whoah...*send it out*
(repeat)
