INTRO/TURNAROUND:      E2/B   E2/G#   E2/C#              E2/B   E2/C#   E2/A  
                                 // / /   // / /   // / /   // / /   // / /   // / /   // / /   // / /

## VERSE 1

c#m                              E  
Anticipation comes up with the sunrise  
A2                              A2(b5)/F#  
You're here again, waiting for me  
     c#m                              E                              A2  
Relentless love is the rhythm of Your voice, drawing me closer...  
c#m                              E  
I wanna worship 'til Your heart is satisfied  
A2              A2(b5)/F#  
All I am, I give You gladly  
c#m                              E                              A2  
Letting my heart overflow to adore You, beautiful Jesus...

## CHANNEL

Bsus                              Bsus/D#   Bsus   E/G#                              A2/C#  
I will not miss this moment      to...      tell You I love You  
     Bsus                              A2  
You are the song of my life

## CHORUS

E    Bsus/D#  
I'm weak in the heat of Your glance  
     E/G#    A2  
And I resonate under Your hand  
     E                              Bsus/D#                              E/G#      A2  
Responding to the One that my heart loves  
     E    Bsus/D#  
With the breath that You breathed into me  
     E/G#                              A2  
In the fire of intimacy  
     E                              Bsus/D#                              E/G#      A2  
Responding to the One that my heart loves

## VERSE 2

Today's another day to obey and surrender  
Bending to hear the secrets You breathe  
And You delight to see how I respond to each new revelation...  
So I'm searching for language to capture Your wonder  
Fold You in worship as You consume me  
Ev'ry cell of me sings when I see You, beautiful Jesus...

## BRIDGE

E2/B E2/G# E2/C#  
When I see the passion in Your eyes  
E2/B E2/C# E2/A  
You make all my senses fly  
E2/B E2/G# E2/C#  
In Your presence I am alive  
E2/B E2/C# E2/A  
You make all my senses fly

*(Kelanie plays this song in D / capo on 2<sup>nd</sup> fret, except for low E string)*
