Perfect love mysteriously radiates from Your eyes and captivates me

VERSE 2:

Such a beautiful intimacy
All the empty sideshows have nothing for me
You call me Yours, set apart holy, I...
Found a strength that cannot be shaken
In the middle of the battle, I open heaven
When I sing Your praise

CHANNEL:

I am the voice of a generation
Bought with the blood and burning with passion
We're Your daughters, we're Your sons
We're gonna sing at the top of our lungs
I am the voice of a generation
Shakin' the earth and releasing the Kingdom
We're Your daughters, we're Your sons
We're gonna sing at the top of our lungs

CHORUS:

Oh-oh-oh, we won't back down, we love Your Name
Oh-oh-oh, we are in this all the way
Oh-oh-oh, we won't back down, we love Your Name
Oh-oh-oh, we are in this all the way
(REPEAT)

Your magnetic love comes with a kiss
 F#m D
And it's totally pointless to resist

We're in this all the way
